The requirements of forms have been based, taking into consideration the last year's beneficiaries. If it is found that your requirement is more, you may contact the District Social Welfare Officer concerned from whom you will receive the forms. All possible precautions should please be taken to ensure proper use of forms and avoid wastage of application forms.

4. *Ad hoc grant : Eligibility and payment :*

Since the process of final awards takes much time an *ad hoc* grant at 60 per cent on the basis of the actual expenditure of the preceding year with reference to the estimated enrolment of Backward Class Students is placed at the disposal of the Heads of Post S. S. C. Institutions for disbursement of maintenance allowance to Backward Class Students who could normally be held eligible for awards under the Rules for the current year. The main object of placing the *ad hoc* grant at the disposal of the Heads of Institutions is to facilitate the students to purchase books and other material in the beginning of the session. You are, therefore, requested to arrange for the monthly disbursement of *ad hoc* grant to the eligible Backward Class Students as per following criteria :-

1. *Scheduled Castes :-*

(a) Scheduled Castes Students, who were in respect of Government of India Scholarships during last year and have been promoted to the next higher class after passing relevant examination prescribed by the University/ Board of Technical Examination etc., may be held eligible for payment of *ad hoc* grant at the rate admissible under Rule V of the Scholarship Regulations :-

(b) All fresh Scheduled Castes Students including those converted to Buddhism, passing S. S. C. Examination held in March 1994 joining Class XI of the New Higher Secondary Course under the 10+2+3 pattern of education of equivalent courses may be held eligible for *ad hoc* grant at the rate admissible under Rule V of the Scholarship Regulations, provided the concerned student is the first or second child receiving post S. S. C. Scholarship from the same family and fulfils the conditions given at paragraph 3-Conditions of Eligibility.

2. *Denotified / Nomadic Tribes :-*

Ad hoc grant may be sanctioned to eligible Vimukta Jatis/Nomadic Tribes Students as per details pointed out under (a) and (b) above.

5. *Deficiencies noticed in the Scholarship application forms*

Following discrepancies are generally noticed during the course of scrutiny of the scholarship applications.-

(a) The students reading in B. A. I/B. Sc. I/B. Com. I had filled in renewal application forms Such student should fill in fresh application forms only.

(b) The students who pass B. A. I/ B. Sc. I/B. Com. I. examinations in the month of October (Supplementary) and subsequently are admitted in next higher class had filed in renewal forms. Since the students were not in receipt of scholarships upto the month of supplementary examinations obviously being failure, they should fill in fresh forms only.

(c) Two or more scholarship applications filled in by the student for same course of study from the same Institutions should not be recommended by the Heads of Institutions. With a view to avoid double submission of forms, it is proposed that a register indicating names of students alphabetically arranged may be maintained at each Institution and the date of submission of forms by the student may be indicated therein against his name. This register will not only be useful in watching submission of forms by the students but it will also help to arrest double payment to students.

(d) As required *vide* Rule V (iv) of the scholarship regulation a certificate in respect of the students residing in an approved place of residence should be furnished. In such cases, certificate to the effect that the student is residing in an approved place of residence as he is unable to get accommodation in the college hostel should invariably be furnished by the Heads of the Institutions concerned.

(e) If the student was a hosteller during the last year, the date when he left the hostel should please be indicated in the Part B Form. Part B of the application form is the base of awarding scholarship to the students and hence all entries therein should please be filled in properly and carefully.

(f) Percentage of marks obtained by the students in the preceding examination should be shown on page I of the application form.

(g) Correct details of compulsorily payable fees by the students should please be indicated in Part B of application forms. Back references in this respect should please be avoided.

(h) If the parent/guardian of the student is employed in Govt./Semi Govt. or in any other office, employer's certificate indicating pay, D. A., H. R. A., C. L. A., Interim Allowance, etc. drawn during the last year should be enclosed with application to avoid further correspondence.

(i) As required *vide* Rule (iii) of the regulations, prior approval of District Social Welfare Officer concerned should be obtained for change in subject of the course of study for which the scholarship has been originally sanctioned and also for change in Institution of study.

(j) Separate statements on printed forms showing names of students Boys/Girls categorywise and course wise should be furnished with the application forms.

If the application forms are scrutinised properly and minutely at the college level by one of the responsible Professors or Lecturers, the above deficiencies will not occur. You are, therefore, requested to entrust this work to one of the senior members of the teaching staff and also form a small committee of the lecturers and some senior students who would guide the Backward Class Students in filing in the application forms correctly. It will also help in eliminating back references, delay in scrutiny of applications and early declaration of awards. Sufficient number of copies of Marathi pamphlet containing important points about the scheme and certain guidelines for filling in the scholarship application forms have also been sent for distribution to the students.

Copies of Regulations and Marathi pamphlets may also be exhibited on the notice-board of the Institution for guidance of the Backward Class Students.

In view of the position explained in the preceding paragraphs, you are requested to give wide publicity to this scheme and ensure correct submission of the application forms complete in all respects *on or before 31st July, 1996* to the District Social Welfare Officer, concerned along with the following documents :—

- (i) Statements in the prescribed form 'A' (on printed form only) filing in columns 1 to 13 only indicating names of students categorywise and coursewise.
- (ii) Two copies of prospectus for 1996-97.
- (iii) One copy of passport size photograph with signature of Principal thereof to be fixed on the index card (for fresh students only).
- (iv) A copy of mark-sheet duly attested by the Head of the Institution.
- (v) Statement showing details of fees compulsorily payable by the students for the current session 1996-97.

Scholarship application received after 31st July, 1996 will not be entertained. I shall be highly obliged if you kindly extend your co-operation in implementation of this scheme for Welfare of Backward Classes.

6. As the scheme is now decentralised at the district level, the application forms may be sent to the District Social Welfare Officer concerned before the prescribed date.

Yours faithfully,
