Vision Statement

To strive for the academic excellence and make students self-reliant and competent enough to face the challenges ahead. To propagate value based education, to associate them with natural, social, cultural and global environment. To impart quality education, training so that potentiality should make them complete human being with committed and competent nature to face the environment of globalization. We want to shape the personalities of students by participating research work as well as extension work for the society so that students should be with scientific temper and research oriented.

Goals and objectives:

Following are the goals and objectives of college

- To improve the quality of education through sustained efforts to achieve excellence.
- To make students competent enough to be self reliant.
- To make education an instrument of social change.
- To create in students a sense of self respect and dignity among poor and oppressed.
- To promote and preserve democracy, equality and social justice.
- To make them realize the significance of diligence, perseverance and hard work.
- To activate a sense of patriotic feeling and make students the contributor to the development of nation.
- To develop skill, efficiency, creativity, self-discipline and self-confidence among the students.
- To impart the knowledge of social awareness, cultural values and challenges in higher education.
- To make students able in problem solving, decision making and to face the unforeseen situation.
